We are very glad you joined us today at Westside Christian Church. Our hope & prayer is that you & your family are blessed through your time with us this morning

We all have broken parts of our lives. Oh, we may put on a good face, but there are parts of our life and life experience that desperately need the healing hand of our Heavenly Father. But how do we do that? How does one find and experience the true healing we need to keep going? That's where the book of Nehemiah comes in. Nehemiah was a man who was burdened because of the brokenness of not only his people, but their beloved city, Jerusalem. You see, Nehemiah's story is not just about building walls, it's about rebuilding a nation's identity in God and rebuilding their shattered spiritual relationship with God because of generations of faithless disobedience. You may find yourself in that place this morning. Or you may be experiencing broken parts of your life with no answers. You may be coming out of a season of brokenness and wondering how you stand again. No matter where you find yourself today, I encourage you to join us and connect with the God who can heal...anything and everything! And we'll help you do so through this series on the Old Testament book of Nehemiah: "Rebuilding What Is Broken." - **Pastor Nathan Cherry**
