We are very glad you joined us today at Westside Christian Church. Our hope & prayer is that you & your family are blessed through your time with us this morning

What does a deeply rooted faith actually look like over a lifetime? Our new sermon series "The Life of Abraham: Faith that takes root" follows the real, gritty story of Abraham—a man who learned to trust God step by step, through calling and covenant, failure and faithfulness, waiting and worship. Abraham's journey reminds us that spiritual growth isn't instant or perfect, but it is shaped by a God who keeps His promises. As we walk through Genesis 12–25 together, we'll discover how God forms resilient faith in ordinary people and invites us to live with courage, obedience, and hope—right where we are. Join us each week as we grow together in a faith that doesn't just start strong, but stays rooted and bears fruit. Come ready to listen, learn, and take your next step with God as we look at the life of Abraham... "Faith That Takes Root!" - **Pastor Nathan Cherry**
