We are very glad you joined us today at Westside Christian Church. Our hope & prayer is that you & your family are blessed through your time with us this morning

Welcome to Westside Christian Church. This fall, join us as we dive into the book of Colossians in a new series called **"Deeply Rooted."** The Apostle Paul wrote this letter to remind believers that Christ is supreme, sufficient, and central in every part of life. In a world full of competing voices and shallow substitutes, Colossians calls us to sink our roots deep into Christ. Week by week, we will discover how to be rooted in grace, rooted in Christ's supremacy, and rooted in His truth. We will learn what it means to put off the old life and live rooted in resurrection power. We'll explore how deep roots in Christ produce the fruit of love, peace, and gratitude. Paul also shows us how being rooted in Christ transforms our homes, families, and workplaces. Finally, the letter ends with a call to be rooted in prayer and reaching out in mission together. This seven-week journey will challenge us to grow strong, stand firm, and bear fruit that lasts. Come ready to dig deep—because when we are *Deeply Rooted* in Christ, we are complete in Him. - **Pastor Nathan Cherry**
