When the wine was gone, Jesus' mother ... said to the servants, "Do whatever He tells you." Nearby stood six stone water jars, ... each holding from 20 to 30 gallons.

The master of the banquet tasted the water that had been turned into wine. Then he called the bridegroom aside and spoke to him. Find his words below.

Begin with the second space of each jar, and shade in every other space, making a checkerboard pattern. The remaining letters will tell what happened.

Write the word that is the opposite of the one given. Transfer the letters to the lines.
