Have you ever been in a conversation where someone keeps finishing your sentences - INCORRECTLY?

Have you ever read a novel or attended a play where the author or playwright leads you down one path then throws you a totally unexpected curveball at the end?

1. Do you _____ this?

2. God _____ me.

3. Sometimes we _____ expect too much, rather we expect
_____ or _____. (v. 40)

4. We too often must say with the desperate father, _____ ,
_____.

5. An analogy: Careful! (v 44.)

Opportunity Challenge:

*Jesus asks us, "Do you believe this?" How will you answer that question?
