We are very glad you joined us today at Westside Christian Church. Our hope & prayer is that you & your family are blessed through your time with us this morning

Do you ever feel like life is just too full? Work, social events, kids sports, birthday parties... Then add your favorite television programs, social media and entertainment. And what about God? Where does He fit into the crazy jumble of scheduled and last minute events that seem never ending for most of our lives? Is it possible that in all this craziness, that we have missed a key component of what an abundant life in Jesus promises, Rest? As we get ready to head into one of the busiest seasons of crazy in our culture... Let's STOP... Take a Breath... and see what the scriptures tell us about rest and how to live slowly and intentionally in our fast paced, high octane, American world. Over the next few weeks we will look at what it means to **R.E.S.T.** That is to **Resist, Encounter, Surrender, And Tarry.** We pray that this morning will be a refreshing space, a time of worship for you and your family as we "Take a Breath" together and find rest even in the busiest of seasons - **Pastor Thomas Hartung**
