What does it take to win in life?

Lessons from a bloody battle:

1. To succeed, we must be _____ on God and refuse _____. (Js 10:29-39; Ph 4:8)

2. A life of faith is _____ only when it's lived _____ God! (Js 11:1-15; Jn 15:4-5)

Opportunity Challenge:

*Where is my focus...really?

*And how have I allowed distraction to dominate my attention?

*How have I tried to find “success” in life apart from God?
